W.P.No.17579 of 2006

Oral Order:

Petitioner's grievance is that despite his representation dated 29.6.2006 seeking copies of certain documents, the respondent has not furnished the documents.

Learned Standing Counsel for the Wakf Board states that in the application of the petitioner dated 29.6.2006, the specification as to the nature of documents required by him is vague and as and when the petitioner makes a fresh application clearly specifying the nature and description of the documents required by him, the respondent would certainly furnish the copies of documents required by him if the same are liable to be furnished by the respondent, in accordance with law.

Recording the submission, the Writ Petition is disposed of giving liberty to the petitioner to submit a fresh application to the respondent clearly specifying the copies of documents required by him. On such application being made, if the details of the documents are comprehensible by the respondent, then, the respondent shall furnish the same expeditiously and, in any case, within a period of fifteen days from the date of the application by the petitioner.
